

IS YOUR ELEMENTARY AGE CHILD NEW TO JAPAN?

While YOU are learning about Japan at the adult AOB, have your kids learn too!

Elementary age orientation will be held every other Wednesday on the 4th floor of the Community Readiness Center near the adult AOB.

Orientation for 1st – 5th graders will be from 0800-1130. Students will be dismissed for lunch with parents who can then walk them to the School Age Care program next to the Commissary (or the Youth Club for grades 4&5) while they finish the rest of the brief on Japan. (Kids may sign up even if parent isn't in AOB.)

Students will learn about Japanese Culture and Customs as well as their new schools and fun things to do on our base.

For more information about orientation programs for students in elementary, middle, or high school or **to sign up call 243-8512 or 243-9633.**
